MEMORANDUM FOR: Chief, Policy and Plans Group

FROM:

  
Chief of Operations (PSI)

STAT

SUBJECT: Revisions to Procedures Implementing  
E. O. 12036

1. Procedures were reviewed by all elements of the PSI Directorate without negative comment, however, some of our officers complained about the short deadline, especially since they were expected to comment on 66 pages of procedures in one day. I think we all can appreciate the stress of short deadlines. Hopefully, in the future more time can be allotted to review of voluminous material.

2. The attached facesheets are returned for your review since they do contain some of the opinions by our offices. Otherwise, PSI has no objection to the revisions and we would hope that future opportunities will allow more time for review. Hopefully, we can live with the Executive Order since there was no hue and cry from CD, SSD or SAG.
